NOTICE

This is to inform all concerned students that during the process of uploading marksheets on the **DigiLocker portal**, certain errors have been identified in some cases. These errors are mainly due to:

1. Mismatch between **Aadhaar details** and **APAAR ID (ABC ID)**, and/or
2. **Non-creation of APAAR ID (Academic Bank of Credits ID)**.

All affected students are hereby instructed to verify and update their Aadhaar and APAAR ID details immediately. Students who have not yet created their APAAR ID must do so without delay as per the prescribed guidelines.

Students are advised to treat this matter as **urgent**, as failure to update the required information may lead to delay in the availability of marksheets on DigiLocker.

For any clarification, students may contact the Institute Office during working hours.
